Busy Signal

No Answer

1. Check the number to make sure you have the right phone number.
2. Try calling again.
3. Try calling the second toll-free number provided.
4. If you still cannot complete the call, contact your supervisor or CDS Employer, as applicable.

If the system says, “**Sorry, Invalid Number**”: See if the phone has a **T-P** (Tone-to-pulse) switch; make sure the switch is on **T**. If there is no switch, you must say your ID number one digit at a time, into the phone after the tone.
